

2018 has been a wonderful year at Aintree. We have a dedicated and talented team of employees, expertly led by Francine, who work hard to ensure that your pet has the best possible experience in our care.

Unfortunately, rising costs, including mandatory wage increases, mean that our prices will have to go up a little in the new year. We have not increased prices at all during 2018, and will keep increases for 2019 to a minimum.

From January 2, 2019, our rates will be as follows:

|                       |       |
|-----------------------|-------|
| Regular Board         | \$34  |
| Senior Section        | \$36  |
| Stay and Play         | \$47  |
| Daycare Full Day      | \$28  |
| Daycare Full Day Card | \$140 |
| Daycare Half Day      | \$21  |
| Daycare Half Day Card | \$105 |
| Cat Board             | \$20  |

As always thank you for choosing Aintree. Happy New Year to you and your furry family members!
